## **DEDICATION**

mrs. betty badger

mrs. badger,

how can we express our gratitude to you? you give so much as you labor among us and ask nothing in return. we see dedication and sacrifice in your life. you have added blessing to our lives and to the school. we shall never forget your godly spirit and your unselfishness in ministering to us. as an expression of our love we dedicate the 1971 warrior to you. may you have many more fruitful years among us.

I SAMUEL 7:12 "THEN SAMUEL TOOK A STONE, AND SET IT BETWEEN MIZPEH AND SHEN, AND CALLED THE NAME OF IT EBENEZER, SAYING, HITHERTO HATH THE LORD HELPED US."

PSALM 124:8 "OUR HELP IS IN THE NAME OF THE LORD, WHO MADE HEAVEN AND EARTH."

the stone of help (ebenezer) was a memorial to the israelites of divine intervention. had this not been the case israel would have been subdued into bondage. their entire trust was in the lord. their deliverance was certain.

the current school year has been in most respects a parallel of crisis and divine intervention even as then. though we have not faced a natural foe there have been many obstacles and difficulties yet we have known encounter, battle and victory again and again over spiritual wickedness and satanic attack. with a greatly increased enrollment, problems have enlarged and multiplied. we at the school who meet these problems have, as did samuel, found that numbers and size is meaningless in god's sight. he delivers whether there be many or few. we have simply learned that reliance upon natural and earthly means is but to fail, however, to trust in the lord is glorious victory.

our objectives are primarily spiritual and the spiritual transformation and subsequent development of each child is of utmost concern to us. many have prayed, god has wrought, rejoice with us in the spiritual development that is evident in these young lives.

psalm 124 speaks of god's omnipotence-- "who made heaven and earth." it also

states that help is found in his name. young people today are seeking reality; some in intellectualism, others in varied willful pursuits, however reality is found only in christ. portersville christian school is by nature an academic institution and seeks to develop each child academically. however spiritual training is not opposed to intellectual development. indeed the two are very compatible and the person who walks with god will be mentally alert. the fashioning and molding of young lives is a sacred and monumental task. we thank god for his enabling in this blessed labor of love.

the spring of 1971 will be the occasion of our second graduating class. once again it is with satisfaction that we send forth young people into their various pursuits in life. scripture allows that all have not the same calling or station in life, however the bible also places responsibility upon every christian to convey the savior of jesus christ and his saving power to every sphere and clime of life. as this group leaves behind the training and influence of the school our desire for each of you is that your years here have left in your life a lasting impression of the goodness and mercy of the lord. also it is our prayer that as you find your place in life there will be a maturity of character and a spiritual depth about you that will draw men to jesus christ. admittedly you are not finished, you now pass a milestone. many more must be reached and become history to you before you stand to give an account of the deeds done in the body. the same saviour and lord that has helped will again and again be your portion and deliverer. trust him until you are presented faultless before the presence of his glory.

## DAVID BOOTS

the years that i have spent at the portersville christian school have helped me in more ways than just the regular subjects. it has helped me to have a close walk with god and to depend on him more.

my desires are to do what the lord desires would be.

joshua 1:9 have not i com-manded thee? be strong and of a good courage; be not afraid, neither be thou dismayed: for the lord thy god is with thee whithersoever thou goest.

### president of student council

let us hear the conclusion of the whole matter: fear god, and keep his commandments: for this is the whole duty of man. ecclesiastes 12:13

i would like to thank my friends, particularly john fluck, for the guidance and opinions afforded to me in the past years. i'd like to thank mr. calvin cummings for giving me some arms to fight with, and keith ward for providing some new directions. also, i'd like to thank the following asundry people: jim, luci, dana, jill, and bernie (wherever you may be now). there are many others who will have to go unmentioned. let me leave with you the words of paul found in ephesians 6:23. "peace be to the brethren, and love with faith, from god the father and the lord jesus christ".

isaiah 43:2 when thou passeth through the waters, i will be with thee, and through the rivers, they shall not overflow thee: when thou walkest through the fire thou shalt not be burned; neither shall the flame kindle upon thee.

god has been the sustenance of my life throughout my schooling. he has given me a reason for living and for obtaining an education. i know that as he has been with me in my past life, so will he be with me in my future life.

i wish to express my appreciation to each teacher who has had a part in my education over the past years, they have had an important part in my life.

psalm 2: 12b blessed are all they that put their trust in him.

the past years which i have spent under christian leadership have profited me most by trusting in the lord. as the verse which the lord has given says, i truly have been blessed by trusting in him. i wish to express my thanks to all my teachers which have helped me very much. my desire is that the lord will guide me in his footsteps and in the center of his will.

Sometimes I'm at my very end,  
And I'm in need of a friend,  
But then I remember one Glad thing,

Sometimes I am very sad
